In the Matter of:

GAS ADJUSTMENT FILING OF	)	
EAST KENTUCKY UTILITIES,	)	CASE NO. 9545-N
INC.	)	

O R D E R

On September 25, 1986, the Commission issued its Order in Case No. 9545 approving certain adjustments and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On August 31, 1989, East Kentucky Utilities, Inc. ("East Kentucky") notified the Commission that its wholesale cost of gas was decreased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective August 1, 1989, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) East Kentucky's notice of August 31, 1989 set out certain revisions in rates which East Kentucky proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$28,389 or 22.32 cents per Mcf.

(2) Kentucky West filed an application for decreased rates to be effective August 1, 1989 with the Federal Energy Regulatory Commission.

(3) East Kentucky's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9545 dated September 25, 1986 is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after August 1, 1989.

(4) East Kentucky should file with this Commission the amount of any overcollections received from August 1, 1989 to the date the approved rates are implemented, along with a refund plan.

IT IS HEREBY ORDERED that:

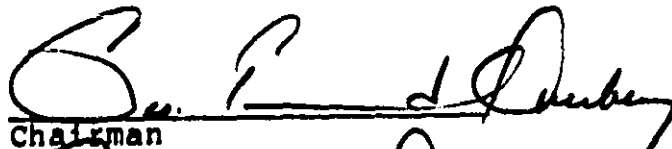

(1) The rates in the Appendix, attached and incorporated hereto, are fair, just, and reasonable and are approved effective with gas supplied on and after August 1, 1989.

(2) Within 30 days of the date of this Order, East Kentucky shall file with this Commission its revised tariffs setting out the rates authorized herein.

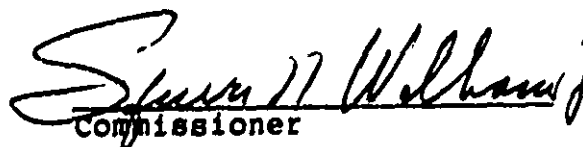

(3) Within 30 days of the date of this Order, East Kentucky shall file the amount of any excess revenues collected, along with a refund plan.
